

From strategic counseling to representation in regulatory compliance, transactional, or litigation matters, Mansour Gavin's team of healthcare attorneys leverage their legal experience to help our clients accomplish their goals and succeed.

Our experienced team of healthcare attorneys represent medical clinics and groups, physicians, dentists, residential care facilities, assisted living and nursing homes. We advise on wrongful death, medical malpractice, regulatory compliance, employment, wage and hour claims, corporate governance, transactional and purchase and sale of the business, real estate matters and other legal issues unique to the space.

We advise our clients on complex healthcare matters, including:

Business matters:

Business formation and reorganization, corporate governance, compliance policies, contract review, mergers and acquisitions

Regulatory Compliance and Licensure:

Compliance review and audits, applications, denials, renewals, reporting

Employment Issues:

Employment contract review, policy review, credentialing, termination, independent contractor agreements, harassment claims, disciplinary action, retaliation, employment and contract disputes, wage and hour disputes

Professional Liability:

Medical malpractice, civil and criminal negligence, litigation and dispute resolution
