

A dark red banner with a faint background image of a hand holding a pen and a pair of scales. The text "Civil Litigation" is written in a white serif font on the left side.

Civil Litigation

Our civil litigation lawyers handle a wide variety of litigation, including complex business disputes, product litigation, tort claims, unfair competition issues, and professional liability claims. We work with our clients to mutually identify the litigation objectives at an early stage and continually adjust the objectives as necessary. We are experienced in alternative dispute resolution, including mediation, arbitration, and mock jury trials. Our mission is to achieve the optimum result in an efficient and cost-effective manner.
